Principal's News

School Changes:

There is a PTC meeting scheduled for Oct 5th and at that time Mrs. Grooms will be presenting about our new five-year strategic plan. This will be the only topic that evening and it is anticipated to be an hour to an hour and a half.

If you have any questions in the meantime, please email Mrs. Grooms.

In order to support Rosa's and in turn, support the church we will order a limited amount of catering for this event. If you are interested in eating at the meeting instead of going to Rosa's please provide a monetary donation to allow PTC to keep providing food at the meetings.

Otherwise, as always, please plan to eat at Rosa's on the first Thursday to support St. Joseph Catholic Church.

October 20th:

October 20th is an early out so students will be dismissed at 1pm. That afternoon we have allotted for fall parent/teacher conferences. Please note that due to the size of some classes, not all parents will be able to conference that day.

The intent behind parent/teacher conferences is to provide a brief opportunity for you to review your student's performance before we go too far into the year.

These meetings are fairly quick and meant to provide a snap shot of student performance. They will be scheduled for 15 minutes and it is important that you arrive on time for your time slot.

Signup sheets are available starting today!

Fest – of – All Update

Thank you all so much for coming out and supporting the Fest-of-All. We had a wonderful turn out and are excited for planning the next one.

There is a survey set up on the website and we would encourage everyone to complete it. If you would like a paper copy to complete they are available in the office by request.

We hope to have a final report on the success of the event available in November.

In the meantime, if you need any tax donation receipts please notify the office in writing.

Accounts were billed today to missing ticket and donation item money.

"Let it be known to all who enter here that Jesus Christ is the reason for this school, the unseen but ever-present teacher in all its classes, the model of its faculty, and the inspiration for its students."
